Funnies

I told the kids I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. So, they unplugged my computer and threw out my wine.

A dog thinks: Hey, these people I live with feed me, love me, provide me with a nice warm, dry house, pet me and take good care of me...**THEY MUST BE GODS!!!!**

A cat thinks: Hey, these people I live with feed me, love me, provide me with a nice warm, dry house, pet me and take good care of me...**I MUST BE A GOD.**

New Constitution

The new club Constitution which was passed at the AGM has some interesting clauses, one of which is clause:

9.3 Composition of the Board – which indicates that the name “Secretary” will now be “Executive Director” and the “Treasurer” will be known as the “Finance Director”.

We are moving with the times!!

Club Legend Chris Leonard has been brought back to keep an

eye on the club he saved, by means of the magnificent photo on the wall beside the TV. Chris created history by saving the club when it was labelled “past it’s use-by date.”

The plaque reads:

“Christopher Charles Leonard
Dedicated his life to the sport of table tennis as a player and administrator, and will always be remembered for saving WDTC from closure”

Volunteer Wanted – A Trainee Tournament Organiser is wanted to learn computer program Zermelo, how to create entry forms and assist the Tournament Organiser Audrey Swanbury. The next tournament is planned for Sunday June 27th. The trainee would assist on this day. Computer lessons on Zermelo are available by patient teacher.

Entertainment Books:

The Entertainment Book has changed and is now called an Entertainment Membership which is digital. Despite what the name suggests, it’s not just about entertainment. One aspect is that 20% of every sale and if bought through our Club, goes to WDTC.
