Club History

The evolution of Table Tennis playing equipment through the years has an amazing history, some of which came to our notice with the discovery of some old table tennis bats in the back storeroom of our clubrooms. Their Historical significance is priceless considering these bats most likely date back to the early years of the twentieth century. The long-handled bats looking more like badminton rackets with the bat surface made of vellum or parchment are obviously to be handled with care and not used for play. Our newly discovered bats will now take pride of place in our display cabinet for future generations of club members to look at in wonder.

Club Hours during Christmas Holidays

The Club will be open as normal but for Friday night coaching which will take a break from Friday 20th Dec to Friday 31st Jan 2020.

First Aid Station

A new piece of furniture has appeared just outside the canteen and is home to the defibrillator and first aid box. As supplies are used from the first aid box it would be helpful to be advised so that new supplies can be purchased.
