There are other members I'm sure that will say "I have 10 years also, why isn't my name there?" Please send me an email so that I can search and correct my records. Email: grantr504@gmail.com

School Hire:

The club was hired for a Secondary School Carnival on Friday 19th February from 8am to 3pm, and 170 students along with 50 staff hired our clubrooms. Luckily, they brought a food van for lunch and coffee. Richard and Malcolm manned the canteen, and it was during the finals when the noise was loudest that table 3 was damaged by a bat edge. Reimbursement has been made.

Riddles

I have seas with no water,
coasts with no sand, Towns
without people and mountains
without land.

What am I?

A feathered biped in the
terminal part of the arm equals
in value a pair of feathered
bipeds in densely branched
shrubby.

What is the proverb?

Malcolm was born in Adelaide in 1953 and went to the Enfield primary school. The family moved to Waikerie in 1965 where he lived and worked on a fruit property and attended the Waikerie High School. He came back to Adelaide where he attended Henley High school for 12 months. Malcolm began his Electrical Technician's traineeship in 1971 with the Department of Civil Aviation which he completed in December 1975 and qualified as an A Class Electrician.

Wise Words

A woman noticed her husband standing on the bathroom scale, sucking in his stomach. "Ha!" she said, "That's not going to help," "Sure, it does," he said. "It's the only way I can see the numbers."

Club Liquor License progress

The liquor licence has been granted to our Club and now we need to make plans to change the old "Storage Area" and make it into a place where alcohol could be served.

Membership Cards

The idea of Membership Cards has been floated for years – this is the year it will be introduced, and the blank cards have been purchased. As members become financial a card with their name on it will be created and issued at a convenient time.

New Constitution

At last, our Constitution will hopefully be updated at the next AGM.

Next Tournament

The Charles Sturt Junior Tournament will be held on Sunday 18th April 2021, entry forms will be available from the TTSA website soon.

Antique Bats display

We are fortunate to have a pair of long handled early bats that have been cased and mounted on the wall by the TV.
