## Australian Sport Foundation – WDTC and the German TT Club

Tony Stacey has arranged for our redevelopment project to be registered with the Australian Sports Foundation as projects seeking funding which means individuals or organisations can donate to the project and receive a tax deduction for their donation. The redevelopment project has been registered twice, once under WDTC and also under GTTC.

Please refer to the links below for details of the project and how to donate:

## Photographer found.

A volunteer has answered the call to take photos for the web site.

Ian Halkett is the husband of Sandy from the Seniors group, and the plan is for him to take some candid photos of players in action during a practice night and upload them to the webmaster. Please make him welcome.
